

Daily Discount Program

Due to the strong exchange rate,
we are pleased to be able to introduce our discount plan:

**Please check website or call to confirm the discount rate
before sending your order.**

Discounts are based on UK/USA exchange rate and are
subject to change without notice.

Discounts are listed on our web site next to titles that carry a discount.
Discount applies to all USA/Imported DVD's & most BOOKS either in stock
or available to order.

Advance orders or items NOT immediately available will have the discount applied on the
day of release or the date of dispatch.

For customers ordering by mail, the discount will be based on the day the order
was received. Any overpayment will be credited to your account.
